HERGO

METAL
MECHANICAL
COMPANY

January 2023

Company Overview

Established in 1981 starting as a tool design office for Phillips Mexicana, Mabe, Moresa, General Electric in Mexico city.

Along the history of the company has supplied to general Industry

- Home appliances
- Electric
- Electronic
- Automotive
- Commercial vehicles
- Prototypes

Tecnologia Hergo is a metal mechanical company, our value added is the integration our **4 business units** to supply the manufacture of a product or assembly according to our costumer needs

Tecnologia Hergo has grown in the industrial market updating machinery and equipment.

50 years of experience
in industry.

Strategic Location

Toluca State of Mexico

Hergo Facilities
(2,500 Sq meters)

Warehouse and Assembly
area (1,500 Sq meters)

Distances to:

Mexico city : 70 Km

Toluca International Airport: 6 Km

Railroad: 5 Km

Maritime Port Veracruz: 300Km

Roads to Us border: 5Km

**Industrial land
for expansion
(20,000 Sq
meters)**

TECNOLOGIA

HERGO

**METAL
MECHANICAL
COMPANY**

CNC Machining

9 HAAS CNC Lathes
Bar capacity 4"(102 mm)
Max Cutting length 32" (826 mm)

1 HAAS CNC Lathes Live tool

2 Quicktech i42 ultimate multitask Lathes

7 HAAS CNC Vertical Mills
X-40"(1,016mm),Y-20"(508mm),Z-25"(635mm)

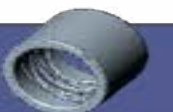

2 HAAS HRT160 Rotary Table (4th axis)

Injection***

Design and engineering

Design &
Engineering

Our team **design** all tools manufactured in Tecnologia Hergo using **CAD CAM** software

Our toolroom take care of the **manufacture** and **maintenance** of all our tools and fixtures **supported** with CNC Mill, EDM and wire EDM, Grinding areas, heat treating furnace

*Dies &
Fixtures*

Genspark EDM: X-(700mm)Y (400mm)Z (280mm)

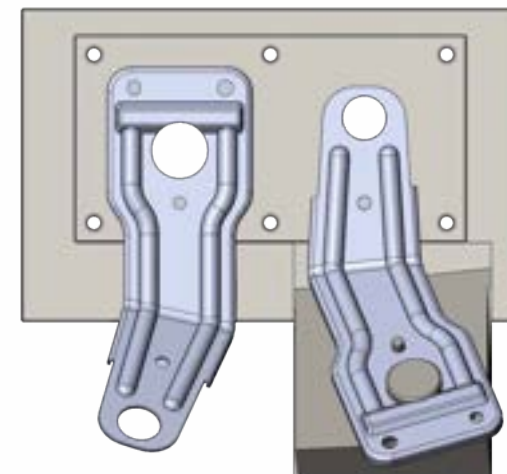

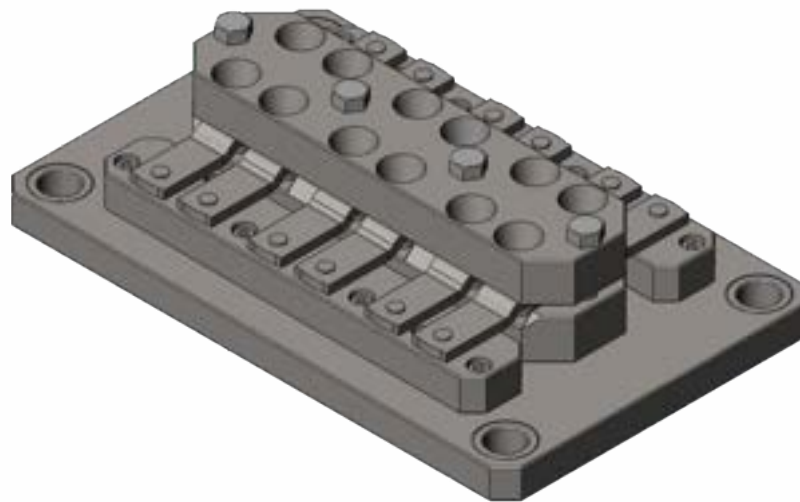

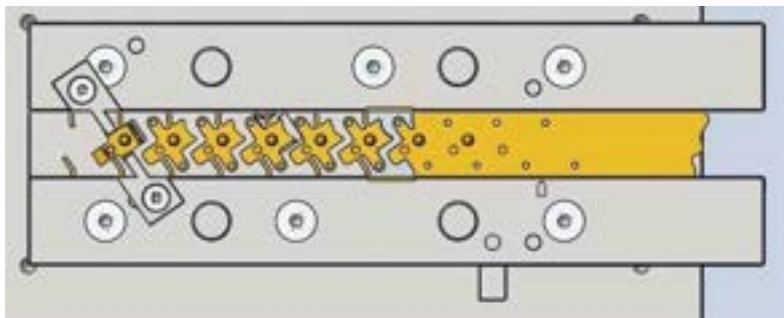

Sodick Wire EDM: X(320mm)Y(200mm)

Toolroom

CHMER Wire EDM: X(800mm)Y(600mm)Z(215)

Orion Registrar, Inc.
Thorough and Fair Auditing

Certificate of Certification

This is to certify the Quality Management System of:

Tecnología Hergo S.A. de C.V.
Privada de Jose Clark Flores No. 104,
Col. Moderna de la Cruz
Toluca, Estado de México C.P. 50180 México

Has been assessed by Orion Registrar and found to be in compliance with the following Quality Standard:

ISO 9001:2015

The Quality Management System is applicable to:

Products Manufacturing in CNC Machining,
Stamping and Plastic Injection and Mold,
Dies and Fixtures Manufacturing

The Certification period is from

September 1, 2021 to August 21, 2024

This certification is subject to the company maintaining its system to the required standard, and applicable exceptions, which will be monitored by Orion.

Client ID: 3658

Certificate ID: 1023074

7502 W. 80th Avenue, Suite 225, Arvada, Colorado 80003 | 303-456-6010 | FAX 303-456-6681 | www.orionvalue.com
To authenticate this certificate, please visit: www.orionvalue.com/about-orion-registered-companies/

Quality System:

COMPANY

Equipped with:

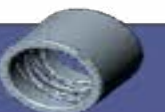

- CMM
- Height Gage
- Digital Calipers
- Roughness testing
- Micrometers
- Dynamometer
- Hardness testing
- Quality inspectors

TECNOLOGIA

HERGO

METAL
MECHANICAL
COMPANY

Tecnologia Hergo in **alliance** with Portuguese company collaborating and **maintaining** molds made by the group

Alliances

Summary:

- ISO 9001:2015 certified and meet IATF 16949
- Tool Shop for internal service
- Process integration capacities
- Experience working for Automotive industry
- Capacity to manufacture whether a prototype or an assembly
- Geographic location
- Fast response soft tools & prototypes
- Trained team
- Installed capacity available for new projects.
- Tool room area with heat treatment furnace, EDM, Wire EDM and CNC machines to maintain and manufacture tools
